AGENDA ITEM (ID # 3404)

Action - Approve Board Goals for FY18

Taconic & Green Board Goals: FY18

Goal #1: Create a vision to guide our work which encourages our communities to work together to enhance our educational opportunities.

Goal #2: Develop and establish a work process that is:

- Thorough (reviews all relevant options),
- Deliberate,
- Time-bound, and
- Respectful of all Board member opinions

Goal #3: Establish an effective method for communicating with our public that enhances transparency and allows for greater community input and buy-in as we consider the future of our students.

Goal #4: Develop and propose a budget for FY19 that is well understood and passes with a good majority. The budget will be created to take advantage of the district's opportunities and strengths, and be reasonable so that Taconic & Green will have sufficient resources necessary to implement policies and programs.
